AGENCY CONTACT MEMORANDUM

TO: Agency contacts
FROM: Jim Barnhart, Deputy Commissioner
Commonwealth Office of Technology
DATE: October 8, 2008
SUBJECT: Enterprise License Agreement with VMware®

The Commonwealth Office of Technology (COT) is considering purchase of an Enterprise License Agreement with VMware®, and we need to identify other agencies who might participate. With an enterprise license, we will be able to take advantage of discounted pricing, co-term on current support, and advanced participation in new products and services.

Please respond with the following information:

1. If your agency is a current VMware® customer, provide the product versions owned, i.e. VMware® Esx 3.5 Enterprise, SRM, DRS, DPM, etc., and the number of licenses that you have.
2. If your agency is not a current customer, and you are evaluating virtualization for your environment, list the number of licenses that you are interested in procuring in the next 12 to 24 months.
3. If your agency is just beginning to consider VMware®, list the VMware® products and services your agency is interested in. <http://www.vmware.com/>

We are planning a VMware® day on October 29th, to review in detail all the products currently available. We will provide logistics soon, and we welcome your participation.

Please reply by October 17 to Dave Tucker at dave.tucker@ky.gov or 502-564-9182.
